WELCOME TO YOUR BLUE WATER DIGITAL

From all of us at Blue Water we are more than excited to welcome you to your online platform, Blue Water Digital. This effort has been a work in progress for over 3+ years now & we are more than happy to commence the incremental launch for our members. In the coming weeks we will begin onboarding members to the platform. If you are receiving this email, you are in the window to begin registering and onboarding to the platform. Blue Water Digital is meant to provide members with a broader view of the entire Blue Water family with information on companies, other cohorts, members, landing reports, and much more. While this is our **Version 1 / V1 launch**, future versions are planned to include a member forum, insight into premium job postings from corporate partners and other companies, and much more. Detailed onboarding instructions are below. Welcome Aboard!

YOUR REGISTRATION PROCESS

- 1.) This is your link to set your password: [Bluewater Digital Registration](#)

- 2.) Enter your email address (The one you used to register for your cohort)
- 3.) You will then receive an email with a link to reset your password. The email will come from this email address "no-reply=bluewater-advisors.com@mailgun.bluewater-advisors.com" so you may need to check your spam or junk mail folder.
- 4.) Once you have reset your password, you should be directed back to the login page so that you can login. If not you can go to <https://digital.bluewater-advisors.com/>
- 5.) Once you login you will be able to see your profile specifics..... Name, email, etc..... Please take time to ensure all of your information is still accurate. Once updated you will need to make a final review and save your profile. Please note your option to "Share my data with other members". This option will be defaulted to on, however if you do not desire to share with other BWA members, you can deselect. Once again, we only make this information available to BWA members on our platform! Once complete with all corrections, selections, you will then click the "Save" button to confirm your account.

Congratulations! You now have access to Blue Water Digital! On behalf of our partners at [Marathon IT Consulting](#) and all of us at [Blue Water Advisors](#)..... Welcome to Blue Water Digital. Once again, this is our **Version 1** launch. While our hope is everything works as it should, please advise (info@bluewater-advisors.com) us if you are experiencing issues, or if you see something not correct. We anxiously await your feedback, and welcome aboard!

Thanks again to you all!

Regards,
Mike, Scotty, Steve, Joe, and the entire BWA team!
